

Cape Light Compact Management, Tracking, and Reporting System

Request for Proposals - Questions and Answers

Set #2 posted on www.capelightcompact.org on 1/5/2015

Questions that have been received are listed and numbered here with italics. Answers are listed and numbered below each question.

Question 2.1: Due to the holidays, I believe that the vendor industry, including [name redacted] is slightly strapped for resources to provide the best solution. [Name redacted] requests additional time to help us provide our best solution. We will submit under the current calendar but believe it would be in the best interest of Cape Light to provide an additional week or so to submit proposals.

Answer 1.1: The Cape Light Compact will extend its deadline for proposals to January 23, 2015 at 3:00p.m. ET.
