PUBLIC COMMENT:
Kate Wing rose to express her appreciation to Cape Light Compact as her family was able to get into their home at 28 Sesame Street about 4 months ago. She described her prior circumstances paying high rent and heating a poorly insulated home with oil. Although Cape Light Compact would have upgraded the insulation, her landlord would not agree to have the work done. An inspector involved in the program said hers was one of the most energy efficient homes ever seen.

M Downey said that the Cape Light Compact Governing Board recently approved allocation of additional funds to continue purchasing SRECS. She said the Compact will continue to look forward to working with Habitat for Humanity on Cape Cod and Martha’s Vineyard. She introduced Austin Brandt, who replaced Stephan Wollenburg as the Cape Light Compact Power Supply Planner, he was the Town of Provincetown’s Energy Manager & Conservation Agent.

Treasurer’s Report
P. Cocolis distributed the Energy Efficiency (EE) budget vs. actuals Report (January-September). He said spending is approximately 50% complete through September. This budget will end at end of December with full reconciliation in March. He noted that the Compact’s budgets are fully reconciled each year and closely reviewed by Department of Public Utilities. He said the Compact is basically in good shape.

P. Cocolis distributed copies of the 10/14/15 Operating Budget Expenditures Report. He said Retirement Board Assessment which is provided to payroll will be reviewed for accuracy (allocations; participants, etc.) relative to the deficit appearing in the Retirement Fund. If found to be correct, the budget can absorb this amount in the short term but he would request a supplemental budget at an upcoming meeting. He reported spending is at 29% which is where it should be. He reported the Marketing budget is negative around $2,000.00 T. Mayo said Municipalities have Finance Committees to oversee “unforeseen expenses” and asked if the Compact has similar. M. Downey said the Auditor recommended all additional appropriations come to the Board for approval supplemental budget adjustment vote. There was discussion about adding a notation to the document in the Retirement line. It was agreed the matter will be covered in the minutes which are posted within a couple days of meeting.

2016 & 2018 Energy Efficiency Plan
M. Downey distributed copies of a Power Point Presentation entitled 2016-18 Energy Efficiency (EE) Plan proposed for the October 30, 2015 Filing. F. Fenlon asked if the closing of the Pilgrim Power Plant will have an impact on EE Programs. M. Downey responded there will be no impact on the EE plan. The Cape Light Compact proposed 3 year budget is approximately $126M. The Compact’s programs reflect Board approved enhancements, which reflect higher incentive levels and programs targeting customers who are hard to reach and hard to serve. She reminded the Board that the Compact, unlike the other Program Administrators, does not collect performance incentive dollars so Cape and Vineyard ratepayers are not paying in to this fund $100 million dollars. There was discussion about the last 3-year plan budget. There was discussion about how well the Compact is meeting goals for 2013 & 2014.

Brian O’Mally, Provincetown arrived to the meeting @ 2:56 p.m.

There was discussion about the bill impact and consumer impact. Compact Management staff distributed a table showing historical bill impact data.

S. Lyons, Barnstable County arrived to the meeting @ 3:30 p.m.

The Board reviewed the previous bill impacts. Although there was consideration about extending an enhanced heat loan to income eligible participants, it was decided not to further indebt Low Income participants.
There was discussion about implementing programs fuel neutral. Atty. Bodemer said the Compact can legally implement programs across fuel types. There was discussion about customers contributing to the Energy Efficiency Fund as part of both their Gas and Electric Bills. M. Downey reviewed the history with National Grid and the sense of the Compact was that the Compact will continue to serve gas customers upon request.

_T. Carroll – disconnected from the phone at 3: 45 p.m._

The Department of Public Utilities will decide who will administer the programs to natural gas customers. M. Song said the sector mix on Cape Cod is predominantly residential vs large commercial. The Compact is more than 50% committed to residential customers. This has to do with the type of measures which are of a different caliber than other program administrators. The Compact’s measures are deeper and more comprehensive than the others.

B. Schofield mentioned that Eversource is advertising energy efficient lightbulbs. The Compact is not focusing spending on lighting.

M. Downey spoke about Demand Response. M. Song asked for a general sense of the board on the proposed new residential enhancements. The Board indicated they are in support.

Meredith Miller provided an overview of the Commercial/Industrial & Municipal Proposed Plan. 40-60% of budget is used on Energy Efficiency for Municipalities.

There was discussion about serving Commercial Gas Customers. P. Pimentel suggested turning the matter over to the DPU to decide. S. Hruby suggested leaving the situation with Commercial Gas Customers as is.

T. Donegan said there are social and economic low income organizations (i.e., arts organizations & theaters, etc.) which he believes is an underserved group. He said there are cultural/arts entities with annual operating budgets of less than $2 million. All own property and pay heating and electric bills. He believes these organizations will provide huge energy savings. There was discussion about defining parameters to target low income organizations. It was suggested to qualify the organization would have to be a 501(3) c in existence for 5 years or more with bylaws and an annual operating budget of $10 million or less. T. Donegan said these are businesses struggling to pay energy bills and often occupy large open poorly insulated buildings. T. Mayo mentioned the laws of unintended consequences adding that if the organization is a 501 (3) c and can afford to make energy efficiency improvements they should not be included. He is not in support of incentivizing all 501 (3) c organizations. The sense of the Board was in support to double budget for non-profit incentives.

_R. Schofield moved the Board vote to approve the proposed goals and budgets presented by staff for the 2016-2018 Energy Efficiency Plan, and authorize submission of the proposed Plan to the Massachusetts Department of Public Utilities. The Compact Administrator is authorized and directed to take all actions necessary or appropriate to implement this vote and to execute and deliver all documents as may be necessary or appropriate to implement this vote, seconded by P. Cocolis and voted unanimously in favor. (17-0-0 with S. Lyons present and voting). NOTE: Since T. Carroll had disconnected from the phone – no roll call vote was required._
ADMINISTRATOR’S REPORT
Review Proposed Response to Eric Bibler – 9/28/15 Open Meeting Law Complaint
The Board then reviewed and discussed the draft response to the 9/28/15 Open Meeting Law Complaint lodged by Eric Bibler of Weston CT. M. Downey asked for a sense of the Board with regard to their comfort with the response. The sense of the board was in support of the response.

M. Downey said the regularly scheduled November Board Meeting falls on Veteran’s Day. She has a conflict on 11/18 due to a meeting with the Advisory Council. The Board will take up the 6th Amendment to the Bylaws. D. Anthony suggested that since the bulk of change is to Section K it may be alright if she were not present. R. Zweig said the MMA voted to bump up renewable production and lift the Net Metering Cap. He said they are mostly concerned with energy security. P. Pimentel said there is a need to have the ability to do some longer term hedging.

At 4:48 p.m. the Board adjourned.

Respectfully submitted,

Karen E. Loura
Administrative Assistant

WHEREAS, the Cape Light Compact ("Compact") was entered into with the County of Barnstable, County of Dukes County and the municipalities legally joining therein, pursuant to the authority of Massachusetts General Laws Chapter 40, §4A, through an original Inter-Governmental Agreement effective as of October, 1997; and

WHEREAS, the County of Barnstable, County of Dukes County and the municipalities legally joining therein, amended the original Inter-Governmental Agreement in June, 1999, September, 2006, November, 2010, February, 2011, and April 11, 2012 and September 2012; and

WHEREAS, the Compact recognizes that local governments have a substantial stake in the restructuring of the Massachusetts electric industry and that local governments represent community interests and provide a "natural aggregator" function through which consumers may gain greater benefits and terms in contracts; and

WHEREAS, under the authority of G.L. c. 164, §134, G.L. c. 25A, §6 and pursuant to the original Inter-Governmental Agreement, adopted October, 1997, as amended, the Compact developed a municipal aggregation plan, setting forth the structure, operations, services, funding and policies of the Compact, approved in D.T.E. 02-47 (August 10, 2000) and approved as updated in D.P.U. 14-69 (May 1, 2015; May 18, 2015); and amended June, 1999 and again in September, 2006, the Compact developed a Municipal Aggregation Plan, setting forth the structure, operations, services, funding and policies of the Compact in order to negotiate the best rates for the supply and distribution of electricity and to advance consumer protection and
interests for the residents of Cape Cod and Martha's Vineyard; and

WHEREAS, the Compact currently operates a municipal aggregation competitive supply program which provides electric power supply on an opt-out basis to customers across all customer classes located on Cape Cod and Martha's Vineyard and the Compact also provides comprehensive energy efficiency services to Cape Cod and Martha's Vineyard through the Cape Light Compact Energy Efficiency Plan; and

WHEREAS, the Green Communities Act, St. 2008, c. 169, provided expanded authority to municipalities and other governmental entities to pursue energy efficiency, renewable energy development and other related activities; and

WHEREAS, the Compact continues to explore all available options for providing its customers with the best electrical supply and distribution rates and demand side management and renewable programs.

NOW THEREFORE, in consideration of the foregoing, and in order to reflect the current policies and purposes of the Compact, the County of Barnstable, the County of Dukes County and the municipalities legally joining therein hereby enter into this Agreement.

ARTICLE I: POLICY AND PURPOSE

ARTICLE II: POWERS OF THE COMPACT

The Compact shall have the following powers:

a) to plan projects;

b) to implement projects and/or conduct research;

c) to negotiate contracts and other agreements, provided, however, that any contract for the purchase of electric power supplies, distribution, transmission or metering, billing and information services or related to any of the foregoing, shall not impose direct financial obligations on any member municipality or county (except for de minimis impacts by virtue of such member’s participation in the Compact) until approved by such individual member municipality or county, as the case may be;

r) to perform generally all acts which are necessary or convenient to implement the powers which are expressly or by necessary implication conferred upon the Compact and are not otherwise prohibited under any other provision of law.

ARTICLE III: GOVERNING BOARD
A. Powers of the Community Representatives.

The Compact shall have a board of community representatives (hereafter a "Representative" or the "Representatives," as the case may be and collectively the "Governing Board") who shall be responsible for the general management and supervision of the business and affairs of the Compact except with respect to those powers reserved to the member municipalities or counties of the Compact by law or this Agreement. The Governing Board may from time to time, to the extent permitted by law, delegate any of its powers to committees, subject to such limitations as the Governing Board may impose. The Governing Board may delegate to the Executive Committee the powers to act for the Governing Board between regular, annual or special meetings of the board. The Governing Board may designate persons or groups of persons as sponsors, benefactors, contributors, advisors or friends of the Compact or such other title as they may deem appropriate and as is consistent with applicable law.

B. Number, Qualifications and Term of Office.

The Governing Board shall consist of one Representative for each member municipality and one County Commissioner appointed by the Barnstable County Board of Commissioners and one Representative appointed by the Dukes County Board of Commissioners, and alternates therefor, in case any such Representative shall be unable to attend a meeting or otherwise participate in any matter regarding the Compact. In the absence of a Representative, his/her alternate shall be entitled to vote and otherwise exercise all of the powers of such Representative. The Representatives, and alternates, shall be selected by the Selectmen or Town Manager, as the case may be, for each member municipality. In the case of the County Representatives, such Representatives and his/her alternates shall be selected by the Board of Commissioners. Except as hereinafter provided, the Representatives (and alternates) shall hold office until the next selection of Representatives (and alternates) by each such member municipality or county and until his/her successor is selected.

C. Executive Committee.

There shall be an Executive Committee composed of no less than five (5) Representatives, at least one of whom shall be a Representative from Dukes County or a member town of Dukes County. The Executive Committee shall be selected by majority vote of all of the Representatives.

D. Manner of Acting and Quorum.

Provided there is a quorum present at the meeting, and except as specified elsewhere herein, the Governing Board shall act by vote of a majority of the Representatives present at the time of the vote. Unless altered by the Governing Board in accordance with this Agreement, each member municipality and county shall be entitled to select one Representative whose vote shall be equal in weight to the Representative of any other member municipality and county, except as expressly set forth in the succeeding paragraphs. Representatives may participate in meetings remotely in accordance with the regulations of the Office of the Attorney General.
governing remote participation, 940 C.M.R. 29.10. A quorum shall be deemed present if the combined population of the towns whose Representatives are present at a meeting is at least equal to 50% of the combined population of all of the member municipalities of the Compact; and provided further, that at least one Representative from one of the Towns in Dukes County or Dukes County and at least two-thirds of the Representatives for Barnstable County and the member municipalities of Barnstable County are physically present or participating remotely in accordance with 940 C.M.R. 29.10. In accordance with 940 C.M.R. 29.10 and the Open Meeting Law, M.G.L. c. 30A, §§ 18-25, a simple majority of the members of the public body must be physically present. While a quorum is present, unless another provision is made by law, this Agreement or by the Compact’s own rules, all business shall be determined by a majority vote of all participating members.

Notwithstanding the foregoing, any vote involving a matter concerning issues which would or could bear in a direct and material fashion on the financial interests of the member municipalities shall be taken by a weighted vote in which the vote of each Representative shall be weighted in the same proportion as the population of the municipality such Representative represents bears to the whole population of the member municipalities of the Compact, such population as determined, in the case of Barnstable County, by the most recent federal census, or decennial census, and, in the case of Dukes County, by the most recent data available from the Martha’s Vineyard Commission. In case of a dispute as to whether a vote shall be taken on a weighted basis as set forth in this paragraph or on a one town, one vote basis as set forth in the preceding paragraph of this subsection, the determination shall be made by weighted vote as set forth herein.

In taking any vote required to be taken by weighted vote hereunder, the votes of Barnstable County and Dukes County shall be tabulated last, with each county’s Representative having one equal vote, and the vote of said counties may break a tie; otherwise the counties’ votes shall not be accorded any percentage weight but shall be recorded nonetheless.

E. **Rules and Minutes.**

The Governing Board shall determine its own rules and order of business, unless otherwise provided by the Compact or statute or this Agreement. The Governing Board shall also provide for the keeping of minutes of its proceedings. All regular and Executive Committee meeting announcements shall be sent to all members of the Governing Board.

F. **Voting.**

If requested by any Representative, a vote of the body shall be taken by a roll call and the vote of each Representative shall be recorded in the minutes, provided, however, if any vote is unanimous only that fact need be recorded.

G. **Resignation and Removal.**
1. **Resignation.**

Any Representative (or alternate) may resign at any time upon written notice to the remaining Governing Board. A Representative may resign from the Executive Committee and still keep his or her position as a Representative. The resignation of any Representative (or alternate) or resignation from the Executive Committee shall take effect upon receipt of notice thereof or at such later time as shall be specified in such notice, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

2. **Removal.**

Any Representative (or alternate) may be removed at any time with or without cause by their appointing authority. The Governing Board may remove a Representative from the Executive Committee or the Governing Board only with good cause.

H. **Vacancies.**

1. **Vacancies on the Governing Board.**

Continuing Representatives may act despite a vacancy in the Governing Board and shall for this purpose be deemed to constitute the full board. A vacancy in the Governing Board of a Representative shall be promptly filled, but in no case more than sixty days thereafter, by the appointing authority of the member municipality or county which originally selected such Representative. Each Representative chosen to fill a vacancy on the Governing Board shall hold office until the next annual selection of the Representatives and until his/her successor shall be appointed and qualify. Insofar as there is no Representative then in office representing a member municipality or county, the alternate shall act in his/her stead.

2. **Vacancies on the Executive Committee.**

Vacancies on the Executive Committee shall be filled in the same manner as the position was originally filled.

3. **No Right to Compensation.**

Unless the Governing Board in its discretion provides for compensation, no Representative or alternate resigning, and (except where a right to receive compensation shall be expressly provided in a duly authorized written agreement with the Compact) no Representative or alternate removed, shall have any right to any compensation as such Representative or alternate for any period following his/her resignation or removal, or any right to damages on account of such removal, whether his/her compensation be by the month or by the year or otherwise.

**ARTICLE IV: MEETINGS OF THE GOVERNING BOARD**
A. **Place.**

Meetings of the Governing Board, including meetings of the Executive Committee, shall be held at such place within Barnstable County or Dukes County as may be named in the notice of such meeting.

B. **Annual and Regular Meetings.**

The annual meeting of the Governing Board shall be held each year on the second Wednesday of September. In the event the annual meeting is not held on such date, a special meeting in lieu of the annual meeting may be held with all the force and effect of an annual meeting. Regular meetings may be held at such times as the Governing Board may fix but no less frequently than quarterly.

C. **Special Meetings.**

Special meetings of the Governing Board may be called by the chairman or any other officer or Representative at other times throughout the year.

D. **Notice.**

In addition to the personal notice to Representatives set forth in Article III(E), public notice of any regular or annual meeting shall be made in compliance with the Open Meeting Law and other applicable law. Forty-eight hours' notice to Representatives by mail, telegraph, telephone or word of mouth shall be given for a special meeting unless shorter notice is adequate under the circumstances, provided, however, that public notice of such special meeting has been made in compliance with applicable law. A notice or waiver of notice need not specify the purpose of any special meeting. Personal notice of a meeting need not be given to any Representative if a written waiver of notice, executed by him or her before or after the meeting, is filed with the records of the meeting, or to any Representative who attends the meeting without protesting prior thereto or at its commencement the lack of notice to him or her.

E. **Vote of Interested Representatives.**

A Representative who is a member, stockholder, trustee, director, officer or employee of any firm, corporation or association with which the Compact contemplates contracting or transacting business shall disclose his or her relationship or interest to the other Representatives acting upon or in reference to such contract or transaction. No Representative so interested shall vote on such contract or transaction, but he or she may be counted for the purpose of determining a quorum. The affirmative vote of a majority of the disinterested Representatives as set forth in Article III(D) hereof shall be required before the Compact may enter into such contract or transaction.

In case the Compact enters into a contract or transacts business with any firm, corporation or association of which one or more of its Representatives is a member, stockholder,
trustee, director, officer, or employee, such contract or transaction shall not be invalidated or in any way affected by the fact that such Representative or Representatives have or may have interests therein which are or might be adverse to the interests of the Compact. No Representative or Representatives having disclosed such adverse interest shall be liable to the Compact or to any creditor of the Compact or to any other person for any loss incurred by it under or by reason of any such contract or transaction, nor shall any such Representative or Representatives be accountable for any gains or profits to be realized thereon.

Nothing contained herein shall affect the compliance of any Representative or the Governing Board or the Compact with G.L. c. 268A, as set forth in Article VI, below.

ARTICLE V: OPEN MEETING LAW; EXECUTIVE SESSIONS

The meetings of the Governing Board are subject to the Massachusetts law governing open meetings of governmental bodies and governmental boards and commissions, including the Open Meeting Law. The Governing Board is therefore required to maintain accurate records of its meetings, setting forth the date, time, place, members present or absent and action taken at each meeting, including executive sessions.

In accordance with the Open Meeting Law, the Governing Board may hold an executive session after an open meeting has been convened and a recorded vote has been taken to hold an executive session. Executive sessions may be held only for the purposes specifically enumerated in the Open Meeting Law, including, but not limited to, to discuss energy-related trade secrets or confidential information.

Matters discussed in executive sessions of the Governing Board must be treated as confidential. A violation of confidentiality may lead to disciplinary action as established by the Governing Board, including removal of a Representative in accordance with Article III(G)(2).

ARTICLE VI: G.L. c. 268A

The Governing Board, as it consists of county and municipal representatives is subject to the provisions of the Massachusetts Conflict of Interest Law, G.L. c. 268A, and shall act at all times in conformity therewith. Public employees who work for two or more public entities may find that each agency has an interest in a particular matter. Compact employees or Representatives may be asked to work on matters for the Compact and the Compact’s affiliated organization, the Cape & Vineyard Electric Cooperative, Inc. (the “Cooperative”). In order to help employees and Representatives identify and properly address potential conflicts under the Conflict of Interest Law, employees and Representatives should consider the following: (i) the Cooperative’s founding purpose is to develop renewable energy projects and otherwise procure generation and generation-related products (i.e., RECs); (ii) the Compact is a municipal aggregator and serves the complementary purposes of arranging for retail power supply, consumer advocacy and energy efficiency; (iii) the Cooperative seeks to finance and develop such projects and to provide generation to its members and the Compact (to be blended with its
retail power supply); and (iv) the Compact is a member of the Cooperative and the Compact intends to purchase generation from the Cooperative and participate in projects developed by the Cooperative. Any employee or Representative may request free legal advice from the State Ethics Commission about how the Conflict of Interest Law applies to them in a particular situation. This process is explained at http://www.mass.gov/ethics/commission-services/request-advice.html.

ARTICLE VII: OFFICERS

A. Election.

At its first meeting of the calendar year, the Governing Board shall elect a chairman, vice chairman, treasurer, secretary and officer at large and such other officers as the Governing Board shall determine. The term of office for those so elected shall be one year and until their respective successors are elected and qualified. Notwithstanding the foregoing, all officers must be a Representative and, upon selection of a successor Representative by such officer’s appointing municipality or county, such officer shall immediately tender notice thereof to the Compact and the Governing Board shall select a replacement among the various Representatives for the remaining term of such officer.

Any officer may resign at any time by giving his or her resignation in writing to the chairman, treasurer, secretary or any other officer or Representative of the Compact. An officer may resign as officer without resigning from other positions in the Compact, including positions on the Executive Committee or as Representative.
E. **Sponsors, Benefactors, Contributors, Advisors, Friends of the Compact.**

Persons or groups of persons designated by the Governing Board as sponsor, benefactor, contributor, advisor or friend of the Compact or such other title as the Governing Board deems appropriate shall, except as the Governing Board shall otherwise determine, serve in an honorary capacity. In such capacity they shall have no right to notice of or to vote at any meeting, shall not be considered for purposes of establishing a quorum and shall have no other rights or responsibilities.

F. **Chairman.**

The chairman shall be chief executive officer of the Compact, in consultation with the Compact Administrator and, subject to the control of the Governing Board, shall in general supervise and control all of the business and affairs of the Compact. The chairman shall preside at all meetings at which he or she is present. The treasurer shall be the chief financial officer of the Compact and shall have such powers and duties as customarily belong to the office of treasurer or as may be designated from time to time by the chairman or the Governing Board. The roles and responsibilities of the treasurer may be delegated or expanded. Pursuant to the Administrative Services Agreement between the Compact and Barnstable County, as such agreement may be amended from time to time, the County is the designated agent and fulfills the administrative role for the Compact.

H. **Secretary.**

The secretary shall arrange for the recording, consistent with applicable law, of all proceedings of the Governing Board, Executive Committee and any other such committee in a book or books to be kept therefor, shall have custody of the seal of the Compact, and have such powers and duties as customarily belong to the office of clerk or secretary or as may be designated from time to time by the chairman or the Governing Board.

I. **Other Officers.**
The Governing Board shall have legal counsel for the Compact. The Compact's legal
counsel may jointly represent the Compact's members or affiliates in accordance with a bylaw
adopted by the Compact pursuant to Article II(j).

The Compact shall designate a Chief Procurement Officer, whose role, in accordance
with G.L. c. 30B and other applicable provisions of law, shall be to select proposals for and
facilitate the award of contracts on behalf of the Compact, with input from members of the
Governing Board, Compact staff, counsel and others, as such Chief Procurement Officer sees fit.
Notwithstanding the foregoing, the Governing Board may determine that the Compact, as long
as consistent with applicable law, will select proposals and award contracts in another manner.

Other officers shall have such powers as may be designated from time to time by the
Governing Board.

K. Compact Administrator.

In general, the Compact Administrator shall serve as the chief administrative and
operating officer and supervise, direct and be responsible for the efficient administration

fulfill the Compact's objectives. The Compact Administrator also shall have such other
powers and duties as customarily belong to a manager of a municipal light plant or a
major regional inter-governmental association, or as may be designated from time to time by the Governing Board.

ARTICLE VIII: BUDGET; MAXIMUM FINANCIAL LIABILITY OF THE MEMBER MUNICIPALITIES AND COUNTIES

The Compact shall adopt an operating budget for each fiscal year and direct the expenditure of funds in accordance with applicable law. The operating budget and any amendments thereto shall be approved by a weighted vote of the Governing Board in accordance with Article III(D).

The Compact, when appropriate, shall adopt an annual budget and direct the expenditure of funds in accordance with applicable law.

This Agreement is not intended to impose any independent financial liabilities on the members. Each member shall remain responsible for its own debts and other financial liabilities, except as specifically provided herein.

ARTICLE IX: COOPERATION

The member municipalities, Dukes County and Barnstable County agree to act in good faith and use their best efforts to effectuate the intent and purpose of this Agreement. All parties to this Agreement shall cooperate to the fullest extent possible.

ARTICLE X: ELECTRICITY AND OTHER AGREEMENTS

Pursuant to this Agreement, member municipalities, Barnstable County, Dukes County, and private consumers may enter into contracts for the distribution, transmission and/or supply of electricity, for the purchase of energy and RECs, and for project financing in support thereof, provided, however, that any contract for the purchase of electric power supplies, distribution, transmission or metering, billing and information services or related to any of the foregoing, shall not impose direct financial obligations on any member municipality or county (except for de minimis impacts by virtue of such member's participation in the Compact) until approved by such individual member municipality or county, as the case may be, and further, that any contract shall indemnify and hold harmless the Compact and its members from any financial liability or provide commercially reasonable indemnification with respect to the provision of such products or services.

ARTICLE XI: OTHER APPLICABLE LAWS

Nothing in this Agreement or in any negotiated contract for the supply of electricity shall be construed to supersede, alter or otherwise impair any obligation imposed on any municipality or county by otherwise applicable law.

ARTICLE XII: INDEMNIFICATION OF REPRESENTATIVES AND ALTERNATES
Each member of the Compact shall, to the extent legally permissible, indemnify the person(s) each such member chooses as set forth in Article III(A) to serve as a Representative for their service on the Governing Board and/or as a member of the Executive Committee and/or as an officer or who has served at any time as a Representative or officer or Executive Committee member of the Compact. All contracts negotiated or undertaken by the Compact shall also include, to the maximum extent feasible, indemnification of the Representatives and the participating members.

ARTICLE XIII: AMENDMENT

This Agreement may be altered, amended, or repealed, in whole or in part, by the affirmative vote of Representatives of municipalities whose population is at least equal to 50% of the combined population of all of the member municipalities of the Compact; provided that at least two-thirds of the Representatives from all of Barnstable County vote in the affirmative; and further provided that at least one Representative from all of Dukes County also votes in the affirmative.

ARTICLE XIV: TERM AND WITHDRAWAL

Each member shall take such action as required under G.L. c. 40, §4A to make this Agreement effective. This Agreement shall be effective as of the date that the last of the members signs below, and shall continue in effect for a term not to exceed twenty-five years. At the conclusion of the term, taking into account any changed circumstances, the members shall in good faith negotiate a replacement intergovernmental agreement.

Any governmental member may voluntarily withdraw from the Compact at the end of each quarter of the fiscal year (i.e. June 30th, September 30th, December 31st, March 31st), upon thirty days prior written notice. Withdrawal of such member shall not affect any obligations entered into prior to the date of withdrawal which are binding by their terms on such member, including, without limitation, contracts directly entered into by such member and financial contributions to the Compact made or agreed to be made by such member.

If the purposes of the Compact are attained, or for any other reason duly voted upon by the Governing Board, the Compact may dissolve. Upon dissolution, an accounting of the assets owned by the Compact shall be performed and sold. The proceeds of the sale shall be distributed equitably to the then remaining members of the Compact according to their percent contribution.

ARTICLE XV: CONSTRUCTION AND SEVERABILITY

This Agreement shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Agreement shall be severable and if any phrase, clause, sentence or provision of this Agreement is declared to be contrary to the constitution of any Massachusetts or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Agreement and the applicability thereof to any
government, agency, person or circumstance shall not be affected thereby. If this Agreement shall be held contrary to the constitution or General Laws of Massachusetts, the Compact shall remain in full force and effect as to all severable matters.

ARTICLE XVI: MISCELLANEOUS

A. **Principal Office.**

The principal office of the Compact shall be located at the Barnstable County Commissioners' Office, P.O. Box 427, Barnstable, MA 02630. The Governing Board may change the location of the principal office in accordance with Article III.

B. **Compact Records.**

The original, or attested copies, of this Agreement and records of all meetings of the Governing Board and members shall be kept in Massachusetts at the principal office of the Compact. Said copies and records need not all be kept in the same office. They shall be available at all reasonable times for the inspection of any member or Representative for any proper purpose and as required by law. The records of the Compact shall be subject to the Massachusetts Public Records Act, G.L. c. 66, and shall be deemed public records, unless such records fall within the exemptions set forth in G.L. c. 4, §7, including exemptions for development of inter-agency policy and trade secrets or commercial or financial information.

C. **Fiscal Year.**

The fiscal year of the Compact shall begin on July 1st and end on June 30th, e.g. the same fiscal year as established by the General Laws for cities and towns in the Commonwealth.

D. **Seal.**

The seal of the Compact shall be a circular die with the name of the Compact around the periphery and the year and the date of establishment within.
E. **Reports: Compliance with G.L. c. 40, §4A.**

The Compact shall keep accurate and comprehensive records of services performed, costs incurred, and reimbursements and contributions received. The Compact agrees that it will perform regular audits of such records separate and apart from audits conducted by the Compact’s fiscal agent. Periodic financial statements shall be issued to all members. To the extent applicable, if at all, any reimbursement for or contribution toward the cost of any work related to this Agreement shall be made at such intervals as provided in the Administrative Services Agreement or other applicable agreements. The Compact will comply with all other applicable provisions of G.L. c. 40, §4A.

The Compact shall also prepare a written annual report, in the format required by the Massachusetts Department of Public Utilities (“DPU”) regarding the expenditure of energy efficiency funds for the previous calendar year. Such reports shall be filed with the DPU no later than August 1, unless filing or reporting requirements established by the DPU necessitate a different date, and posted to the Compact’s web site within thirty days of submission to the DPU. In addition, the Compact shall periodically prepare written overviews of the Compact’s program activities for each member for inclusion in its individual town annual reports.

F. **Multiple Originals.**

This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. In addition, this Agreement may contain more than one counterpart of the signature page and all of such signature pages shall be read as though one and shall have the same force and effect as though all of the parties had executed a single signature page.
G. **No Partnership or Joint Venture in Contracts with Third Parties: Limitation of Responsibility.**

In carrying out its purposes as described herein, and in entry into any third party contract for the purchase of electric power supplies, distribution, transmission or metering, billing and information services or related to any of the foregoing, neither the Compact nor any of its members shall be a partner or joint venturer with any third party. The relationship between the Compact (and/or its members) on the one hand and the other party(ies) to such contract on the other hand shall be that of buyer and seller or agent for the buyer and seller, as the case may be. Nothing therein contained shall be deemed to constitute the Compact (and/or its members) as a partner, agent or legal representative of any third party or to create a joint venture, agency or any relationship between the Compact (and/or its members) and any third party other than that of buyer and seller or agent for the buyer and seller, as the case may be. The Compact and its members have no responsibility to supply, distribute, transmit, meter, bill or otherwise provide electricity to any consumer and none is implied hereby or thereby. Nothing in this Article XVI(G) shall be construed as prohibiting the Compact from entering into a partnership or joint venture relationship with any organization in which it has a membership interest or affiliation, including the Cooperative.

BYLAWS
OF
CAPE LIGHT COMPACT
Adopted March 25, 2009

Bylaw 1. Shared Legal Representation Involving Members or Other Public Entities; Official Duties of Compact Counsel.

The purpose of this bylaw is to allow the Compact from time to time to retain counsel who may also represent its Members or other public entities in matters in which the Compact has a direct or substantial interest without violating G.L. c. 268A, Section 11(a) and (c). Such dual or common representation allows the Compact to pool resources for a common purpose, develop mutual interests, and preserve scarce Compact funds. Pursuant to this bylaw, the official duties of Compact counsel include, but are not limited to, representing Members or other public entities in: (i) administrative and judicial proceedings in which the Compact is also a party; (ii) contract negotiations or project development matters in which the Compact or its Members have an interest, and (iii) other matters in which the Compact has a direct or substantial interest, provided that in each instance, such dual or common representation would not cause a violation of rules governing attorney conduct. Compact counsel shall discharge such duties only when requested in writing by the Compact’s Governing Board. Prior to making such a request, the Compact’s Governing Board shall determine whether the interests of the Compact would be advanced by such dual or common representation and shall evaluate if actual or potential conflicts of interest exist. If any conflicts are identified, they shall be described in the written request. Counsel shall then make its own determination whether such dual or common representation would not cause a violation of rules governing attorney conduct.
