Flynn inquired as to if anyone was recording the session, and Brian Merchant of Cape Cod Broadcasting Media responded that he was.

**Update on Eversource Rate Case (DPU 17-05)**

Jeff Bernstein provided an update on both the Eversource Rate Case (DPU 17-05) and the Eversource Grid Modernization Plan (DPU-15-122), two separate cases filed with the Department of Public Utilities. CLC is an intervenor/full participant in both of these proceedings. The Grid Mod docket has now closed and briefs are about to begin.

Maggie Downey noted that the Compact has hired outside technical consultants with expertise in electric utility rate setting and grid modernization to advise the Compact on these two DPU proceedings and to offer direct testimony on its behalf.

Jeff Bernstein stated that the Department of Public Utilities has set a deadline of November 30, 2017 for a decision on the revenue requests in the Rate Case, and at the end of the year for Rate Redesign.

On June 1, 2017, Eversource filed a new rate design proposal, under the claim that it was a minor change, however the Attorney General and the Compact (among others) strongly disagreed. The significant change to the initial filing is a proposal to consolidate rate classes and rates for NSTAR and WMECo’s residential customers effective January 1, 2019.

Jeff Bernstein moved on to procedural issues currently at the forefront. The new rate design was filed at the close of discovery and close of public comment period. Intervenors filed motions to reject the filing. On June 9, 2017, the Department of Public Utilities extended the timeline to consider rate design issues. The order on that portion of the case will be issued on or before December 29, 2017.

Jeff Bernstein went over the bill impacts, detailing how Eversource plans to recover costs through fixed charges, consolidation and alignment of rate classes, a higher percentage and other elements.

Kevin Galligan, Compact consultant, stated that due to the high seasonality of the Cape and Vineyard, there are significant bill impacts for electric users with high peak usages, typically in the summer, and low usages in other times of the year.

- Ask Kevin to explain the elimination of the G7 rate class and how it should be incorporated here.

Jeff Bernstein explained that there will be a cost shift assessed to Eastern Massachusetts residential customers of $17m per year to subsidize all other rate classes in Western Massachusetts.
Kevin Galligan stated that the Compact selected key issues in the rate case to focus on, allowing other intervenors to focus on other issues important to ratepayers, ensuring that all avenues were covered. Fred Fenlon and Richard Elkin both stated that they felt the increased discount to low income customers amounts to a public relations spectacle, and is ‘peanuts’ compared to the bill impacts for the overwhelming majority of customers on the Cape and Vineyard.

Jeff Bernstein stated that Eversource’s Mitigation plan includes urging customers to contact Cape Light Compact for energy efficiency measures, and explore optional time of use billing for eligible small business customers. Cape Light Compact has recommended education and mitigation measures that Eversource could provide in an effort to alleviate the bill impacts before they take effect.

Colin Odell stated that the idea that all customers would be routed to Cape Light Compact for Energy Efficiency programs, will lead to higher costs that will have to be covered by ratepayers, in turn increasing their electric costs anyway. Colin Odell went on to propose that Eversource should be required to subsidize these increased costs as a way to facilitate mitigating bill impact for the customer.

Jeff Bernstein stated that the testimony can be made available to the board members for review. Fred Fenlon stated that he strongly believed that the towns will be the most severely impacted by the proposed increase in rated, and that he didn’t believe they would even see it coming until the bill hits their proverbial doorstep. Maggie Downey went on to say that it’s important that as much information is provided as possible to the public so they know what is coming.

**UPDATE ON EVERSOURCE GRID MODERNIZATION PLAN (DPU-122)**

Jeff Bernstein stated the Cape Light Compact’s position is that the Eversource should be required to refile their plan to provide opt out Advanced Metering Infrastructure deployment and ensure participation by and benefits to competitive supply customers. Maggie Downey stated that there was a $150m error in the Eversource’s claimed costs for full AMI which had incorporated costs from other states (CT and NH). The Compact catching this error required Eversource to correct and refile its estimated cost of updating its computer system. The higher ‘costs’ created an artificial bloat which was utilized in part to justify Eversource’s position of why it is too expensive to move ahead with full deployment of AMI.

Jeff Bernstein stated that there are costs here that have no tangible benefit for competitive supply customers, such as marketing costs for Eversource Basic Service.

Jeff Bernstein showed the current timeline, stating that rate case hearings are going to likely to go into July. Initial briefs on Grid Mod will be July 12. 2017. He stated that Rate Case briefings will run likely into September.

Maggie Downey explained that ultimately many of these changes can interfere with plans the Compact had wanted to pursue in its upcoming new 3 Year Plan.
Austin Brandt explained that the MMRC is a new rate component for net metered customers. It has a higher fixed charge, and has lower volumetric charges. New Net metered customers who are connected after January 1, 2019 will be assessed this increased charge. Even existing net metered customers will see bill impacts by seeing fixed charges, devaluing these net metering credits. The components in net metering credits are set by legislation which consists of various line item charges, but those line item charges are dictated by a rate case.

Brian Merchant of Cape Cod Broadcasting Media left at 12:32 PM.

PUBLIC COMMENT
There were no members of the public present.

CONSIDERATION OF MEETING MINUTES
The Board considered the May 12, 2017 Meeting Minutes. Robert Schofield moved the board to accept the amended minutes, seconded by Peter Cocolis and voted by roll call as follows:

1. Robert Schofield – Bourne                  Yes
2. Peter Cocolis – Chatham                   Yes
3. Richard Toole – Oak Bluffs                Yes
4. Joyce Flynn – Yarmouth                   Yes

Motion carried in the affirmative (4-0-0).

TREASURER’S REPORT
Peter briefly went over the four contracts he has approved in the last month, opening the floor to questions.

Peter Cocolis moved the board vote to ratify the actions of the Compact Treasurer relative to Compact contracts from May 13, 2017 through June 9, 2017. The Compact Administrator is authorized and directed to take all actions necessary or appropriate to implement this vote, and to execute and deliver all documents as may be necessary or appropriate to implement this vote. Robert Schofield seconded and voted by roll call as follows:

1. Robert Schofield – Bourne                  Yes
2. Peter Cocolis – Chatham                   Yes
3. Richard Toole – Oak Bluffs                Yes
4. Joyce Flynn – Yarmouth                   Yes

Motion carried in the affirmative (4-0-0).

Peter quickly reviewed the energy efficiency budget, stating that things are moving on track, and everything will be getting changed over to the Joint Powers Entity. Briefly touching on the Operating Fund, he stated things are also on track.

CHAIRMAN’S REPORT
Joyce Flynn passed out flyers for residential rebates to the board, asking them to provide them to five members of the community of their prospective towns. Joyce Flynn went on to explain the Assembly of Delegates
meeting had gone well for us, and that the speakers the Board had provided had done well. Sue Hruby stated that the prepared remarks worked very well, and complimented Tom Donegan’s performance as well. Tom Donegan stated that the Assembly members seemed almost stunned that members of the Vineyard even came to the meeting, and that there seemed to be a definitive sense that they hadn’t considered that Vineyard customers were being affected by their behavior, without their consent.

Joyce offered congratulations to everyone. Tom Donegan stated that now we can realign our position with the media, focused less on quarreling with the County, and more on our mission.

**ENERGY EFFICIENCY PROGRAM UPDATES**

1. **RESIDENTIAL PROGRAM UPDATE AND POTENTIAL VOTE: SUMMER SIZZLER OFFERING – PHIL MOFFITT**

Phil Moffitt stated that there is a proposal to remove the incentive cap for the summer, meaning June 21st to September 21, 2017. Phil stated that by doing this, we will be aligned with the other Program Administrators for the summer, notably National Grid and Eversource. Joyce indicated that she believed that a vote was not necessary, and that this program was well within Phil’s purview as Manager. David Anthony voiced his agreement that while he appreciates and would like to continue the policy of being informed of these sorts of offerings the Compact intends to engage in, he too felt it was within the Residential Manager’s purview and did not necessitate a vote. A sense of the board indicated full agreement.

2. **COMMERCIAL AND INDUSTRIAL PROGRAM**

   a. **Customer Directed Option – Greg Abbe**

   Greg Abbe explained that the Customer Directed Option is something that was approved in the 3 year program and has been in work. He explained that the Customer Directed Option allows for comprehensive measures, and has incentives similar to the Direct Install option. Qualified vendors can participate with RISE as Lead Vendor. The advantage for the customer is that they can select any contractor they wish. In the previous iteration, a customer who wanted to work with a specific contractor could potentially miss certain savings, which will now be captured under this Customer Directed Option.

   Richard Elkin asked what RISE’s role in this scenario, and Greg Abbe explained that RISE operates as a quality assurance role, ensuring the work by these outside contractors are completed correctly, along with ensuring there aren’t additional savings opportunities.

   b. **Mashpee High School Lighting Project, Potential Vote – Margaret Song**

   Margaret Song stated that there were some post tops and gym lights not included in the original application, due to a bit of confusion between the School and the Compact. With that cleared up, the School has requested the waiver be increased by $29,000. Colin Odell asked what the incremental savings were for this increase in cost. Margaret explained that the Final kWh savings will increase now from 477272 to 514962.
Peter Cocolis moved the Board vote to approve an incentive of up to $506,000 for the Mashpee High School project. The Governing Board previously approved an incentive of up to $475,000 in November 2016. The Compact Administrator is authorized and directed to take all actions necessary or appropriate to implement this vote, and to execute and deliver all documents as may be necessary or appropriate to implement this vote. Robert Schofield seconded and voted by roll call as follows:

1. Robert Schofield – Bourne        Yes
2. Peter Cocolis – Chatham        Yes
3. Richard Toole – Oak Bluffs   Yes
4. Joyce Flynn – Yarmouth        Yes

Motion carried in the affirmative (4-0-0).

c. Discussion and Potential Vote on Amendment to Non-Profit Policy Participation Process – Margaret Song

Margaret Song explained that one of the programs within the 3 year plan referenced 501(c) Non-Profits. Under the program, the Compact has space for 100 Non-Profits, which had to satisfy specific criteria, including owning the building and the electric bill, and a specific purpose. The problem the Compact has run into has been that many of these Non-Profits lease buildings, sometimes for 99 years, but would be excluded from participation under the guidelines of the current program.

The remaining lease must exceed the savings weighted average measure life.

1) Robert Schofield moved Board vote to amend the Cape Light Compact’s Non-Profit Enhanced Incentive eligibility requirements from:
   a. The non-profit must own the building
   To
   b. The non-profit must own the building. In the case of a lessee, the remaining years of the lease must exceed the savings weighted average of the measure life installed.

Peter Cocolis seconded and voted by roll call as follows:

1. Robert Schofield – Bourne        Yes
2. Peter Cocolis – Chatham        Yes
3. Richard Toole – Oak Bluffs   Yes
4. Joyce Flynn – Yarmouth        Yes

Motion carried in the affirmative (4-0-0).

3. SMART AIR CONDITIONING SAVINGS PROGRAM – AUSTIN BRANDT

Austin Brandt explained the residential focus offering of Wi-Fi thermostats, which involves the Compact adjusting their thermostats during peak load times to decrease overall load, in line with the Demand Response Initiative. Austin stated that this year, changes involved switching to Honeywell thermostats and mini split heat pumps.
ADMINISTRATOR’S REPORT

1. REVIEW AND POTENTIAL VOTE ON PROPOSED JULY – DECEMBER 2017 OPERATING BUDGET

Maggie Downey stated that there are items that have moved around from the previous time the Board had reviewed the budget, and included a total budget.

Leo Cakounes arrived at 1:55pm. Joyce Flynn, now recognizing a quorum is present, convened the full Cape Light Compact Governing Board. Paul Pimentel arrived at 2:10 pm.

Maggie Downey explained that the budget being presented is only a 6 month subset of the FY17 budget, just to get the Cape Light Compact JPE budgets onto a calendar year system, starting in January 1, 2018.

Robert Schofield moved that the Board vote to appropriate the Cape Light Compact Operating Budget in the amount of $733,847.

The Compact Administrator is authorized and directed to take all actions necessary or appropriate to implement this vote, and to execute and deliver all documents as may be necessary or appropriate to implement this vote. Seconded by Peter Cocolis and voted by roll call as follows:

1. Leo Cakounes – Barnstable County   yes
2. David Anthony – Barnstable       yes
3. R. Schofield - Bourne            yes
4. Colin Odell – Brewster          yes
5. Peter Cocolis – Chatham          yes
6. Brad Crowell – Dennis           yes
7. Fred Fenlon – Eastham            yes
8. Valerie Bell – Harwich           yes
9. Richard Toole – Oak Bluffs       yes
10. Thomas Donegan – Provincetown   yes
11. Richard Elkin – Wellfleet       yes
12. Sue Hruby – West Tisbury        yes
13. Joyce Flynn – Yarmouth          yes

Motion carried in the affirmative (13-0-0)

2. JOINT POWERS ENTITY UPDATE:

a. UPDATE ON DPU 17-95, REQUEST FOR ADVISORY RULING

Four comments have been made in the Department of Public Utilities advisory ruling docket. All of the comments that were submitted were in opposition to the Compact. Maggie Downey stated that there has been a request for leave to respond to these comments, which are based in large part on inaccuracies and misrepresentations that a reply will address, as appropriate.
Maggie Downey and Jeff Bernstein quickly elaborated that there is not an immediate intention to refile the Aggregation Plan, and the Compact instead may wait for the Department of Public Utilities to rule on what the Compact should do.

**Paul Pimentel arrived at 2:09 PM.**

**b. ** **GENERAL UPDATE**

Maggie Downey briefly updated the Board on information regarding the move, reminding everyone that the Compact would be vacating the County office space on the 3rd Floor of the OpenCape building on June 30, 2017.

**c. ** **DISCUSSION AND POTENTIAL VOTE REGARDING IMPLEMENTATION DATE AND RELATED MATTERS REGARDING CLCJPE ACCOUNTS PAYABLE/TREASURY FUNCTIONS**

Robert Schofield moved the Board, in accordance with Article VII(K) of the Compact’s Inter-Governmental Agreement and the Transition, Asset Transfer and Succession plan, ratify the actions of the Compact Administrator taken to date regarding contacting Eversource to direct the System Benefits Charge and the Energy Efficiency Reconciliation Factor funds to Cape Light Compact Joint Powers Entity Bank Account established for this purpose, and to direct the Compact Administrator to contact NextEra Energy and all other funding sources associated with operating the Cape Light Compact and to request that they direct their funds to the appropriate Cape Light Compact Joint Powers Entity bank accounts.

The Compact Administrator is authorized and directed to take all actions necessary or appropriate to implement this vote, and to execute and deliver all documents as may be necessary or appropriate to implement this vote. Seconded by Colin Odell and voted by roll call as follows:

1. Leo Cakounes – Barnstable County yes 12. Richard Elkin – Wellfleet yes
2. David Anthony – Barnstable abs 13. Sue Hruby – West Tisbury yes
4. Colin Odell – Brewster yes
5. Peter Cocolis – Chatham yes
6. Brad Crowell – Dennis yes
7. Fred Fenlon – Eastham yes
8. Paul Pimentel – Edgartown yes
9. Valerie Bell – Harwich yes
10. Richard Toole – Oak Bluffs yes
11. Thomas Donegan – Provincetown yes

Motion carried in the affirmative (13-0-1).

**d. ** **DISCUSSION AND POTENTIAL VOTE ON A COST OF LIVING INCREASE FOR STAFF AND BUY BACK OF COMPENSATORY TIME EFFECTIVE JULY 1, 2017.**

Maggie Downey briefly explained that some of these votes will be reflected in Joint Powers Entity voting as well, and it is simply to ensure that all relevant parties have voted on the items in question.
Thomas Donegan moved the Board to approve a July 1, 2017 – December 31, 2017 employee cost of living adjustment (COLA) in the amount of 2%.

The Compact Administrator is authorized and directed to take all actions necessary or appropriate to implement this vote, and to execute and deliver all documents as may be necessary or appropriate to implement this vote. Seconded by Robert Schofield and voted by roll call as follows:

1. Leo Cakounes – Barnstable County  yes  12. Richard Elkin – Wellfleet  yes
2. David Anthony – Barnstable  yes  13. Sue Hruby – West Tisbury  yes
4. Colin Odell – Brewster  yes
5. Peter Cocolis – Chatham  yes
6. Brad Crowell – Dennis  yes
7. Fred Fenlon – Eastham  yes
8. Paul Pimentel – Edgartown  yes
9. Valerie Bell – Harwich  yes
10. Richard Toole – Oak Bluffs  yes
11. Thomas Donegan – Provincetown  yes

Motion carries in the affirmative (14-0-0).

Valerie Bell moved the Board pay out all compensatory time accrued by Cape Light Compact Staff.

The Compact Administrator is authorized and directed to take all actions necessary or appropriate to implement this vote, and to execute and deliver all documents as may be necessary or appropriate to implement this vote. Robert Schofield seconded and voted by roll call as follows:

1. Leo Cakounes – Barnstable County  yes  12. Richard Elkin – Wellfleet  yes
2. David Anthony – Barnstable  yes  13. Sue Hruby – West Tisbury  yes
4. Colin Odell – Brewster  yes
5. Peter Cocolis – Chatham  yes
6. Brad Crowell – Dennis  yes
7. Fred Fenlon – Eastham  yes
8. Paul Pimentel – Edgartown  yes
9. Valerie Bell – Harwich  yes
10. Richard Toole – Oak Bluffs  yes
11. Thomas Donegan – Provincetown  yes

Motion carries in the affirmative (14-0-0).

e. **POTENTIAL VOTE(S) TO RATIFY ADMINISTRATIVE ACTIONS TAKEN BY ADMINISTRATOR**

Maggie stated that in the interest of transparency, she believed a vote should be taken to ratify actions the Administrator needs to take in the efforts of transfer of fiscal affairs from the Cape Light Compact to the Cape Light Compact Joint Powers Entity.
Peter Cocolis moved that the Board vote that the Compact Administrator, consistent with Article VII(K) of the Compact’s Inter-Governmental Agreement and the Transition, Asset Transfer and Succession Plan, is authorized and empowered and directed to do any and all acts and things, and to make sure and execute any and all instruments, papers and documents which shall be or become necessary, proper or convenient on behalf of the Compact to transfer management of the Compact’s fiscal affairs to the Cape Light Compact JPE.

The Compact Administrator is authorized and directed to take all actions necessary or appropriate to implement this vote, and to execute and deliver all documents as may be necessary or appropriate to implement this vote. Seconded by Robert Schofield and voted by roll call as follows:

1. Leo Cakounes – Barnstable County  yes  12. Richard Elkin – Wellfleet  yes
2. David Anthony – Barnstable  yes  13. Sue Hruby – West Tisbury  yes
4. Colin Odell – Brewster  yes  
5. Peter Cocolis – Chatham  yes  
6. Brad Crowell – Dennis  yes  
7. Fred Fenlon – Eastham  yes  
8. Paul Pimentel – Edgartown  yes  
9. Valerie Bell – Harwich  yes  
10. Richard Toole – Oak Bluffs  yes  
11. Thomas Donegan – Provincetown  yes

Motion carries in the affirmative (14-0-0).

f. TRANSITION FROM BARNSTABLE COUNTY

ADJOURNMENT

Colin Odell motioned to adjourn. Seconded by Robert Schofield and voted by roll call as follows:

1. Leo Cakounes – Barnstable County  yes  12. Richard Elkin – Wellfleet  yes
