

Non-Profit Enhanced Incentive Application

The Cape Light Compact recognizes that some charitable non-profit organizations may not be able to make energy efficiency improvements to buildings that they own. To help make energy upgrades more affordable, the Compact is offering enhanced incentives up to 100% for recommended improvements to 100 eligible non-profits per year for 2016-2018.

ELIGIBILITY

- The non-profit must own the building-or have an eligible long-term lease. Speak with a Cape Light Compact staff member for details.
- A non-profit must provide a copy of charitable 501(c)3 status and have been in operation for at least 5 years on Cape Cod and/or Martha's Vineyard
- Annual electric usage for all accounts on the site did not exceed 100,000 kWh in the prior twelve months, and the active electric account must be in the non-profit's name.
- The non-profit must provide documentation for the applicable category:
 - Unrestricted Annual Operating Revenue of less than \$15 million for:*
Organizational purpose to provide service to **low-income** (defined as up to 60% of state median income) population
 - Unrestricted Annual Operating Revenue of less than \$2 million for:*
Organizational purpose to provide one of the following:
 - Promotion and advancement of **economic development**
 - **Social services** that are open to all members of the public
 - **Cultural services** that increase access to arts, science, history and heritage
- Please note that customers that qualify for this incentive cannot participate in the financing option offered through Cape Light Compact.
